2/8/12 – 3/18/12

BLUE/ORANGE

BY: JOE PENHALL

DIRECTED BY: EDRIS COOPER-ANIFOWOSHE

FEATURING: CARL LUMBLY (*Alias, Cagney & Lacey, M.A.N.T.I.S., Men of Honor*)

Who is right? Who is wrong? Who is sane? Who is crazy?

In this comedy drama, a London psychiatric hospital is the setting where an enigmatic patient claims to be the son of an African dictator — a story that becomes more and more unnervingly plausible as the play progresses. Blue/Orange is an incendiary tale of race, madness and power.

4/4/12 – 5/12/12

BLUES FOR AN ALABAMA SKY

BY: PEARL CLEAGE

DIRECTED BY: MICHELE SHAY

FEATURING: ROBERT GOSSETT (*The Closer*)

This is a love story of a sort, set in New York during the Harlem Renaissance, rich with history, culture, music and dreams.

It takes a dramatic turn when religion, lies, and sexual orientations collide.
